Code of Conduct: The majority of water polo experiences happen in the pool, and tournament participation may include out of town travel, involving only athletes and coaches. Because of this, we cannot ask parents to maintain a constant watch to ensure appropriate behaviour from their children. As an organization with abiding responsibilities for the growth, development, safety and competitive success of dozens of athletes, Neptunes Water Polo Club has adopted the Manitoba Water Polo Code of Conduct, in addition to our own Club specific codes of conduct. These codes of conduct apply to everyone associated with the Club, including players, coaches, parents / spectators, referees / officials, and volunteers. Neptunes Water Polo Club strives to ensure a safe environment for its members and endeavors to foster healthy relationships among its athletes. For these reasons, the Club has adopted a zero-tolerance policy. The rules of the Neptunes Water Polo Club are in effect at all functions, training sessions and tournaments where athletes are acting as representatives of the Club. **I have read, understood and agree to comply with the MWPA Code of Conduct and the Neptunes Water Polo Club Code of Conduct (both available at www.neptuneswaterpolo.com).**
