

Neptunes Water Polo Club Volunteer Form 2018-2019 Season

Neptunes Water Polo Club is run entirely by volunteers and therefore each athlete family is expected to volunteer within the Club in some capacity. A \$150 volunteer bond will be collected from each athlete family upon registration. Varying levels of this bond - from partial amounts up to the full amount - can be earned back as a credit based on the level of volunteering completed during the current water polo season.

The table below describes the various volunteer positions within the Club, and their associated credit value. Please don't feel intimidated by any of the listed items! Training will be provided for any minor officiating roles and guidance can be given for any of the other positions. Do not hesitate to ask any of the Neptunes' Board members if you have any questions regarding any of these roles.
