**Notice of Warning:** There is a potential risk of injury involved in training or participating in the sport of water polo. The Manitoba Water Polo Association (MWPA) and its members have tried to create a safe and controlled environment for participation. MWPA has established rules for participation and conduct on and about the playing area that should be followed. Some hazards which may lead to catastrophic situations are: slips on the pool deck or surrounding area, chlorine leaks, ball injuries and personal body contact injuries, etc. Pursuant to the *Personal Health Information Protection Act, 2004 (PHIPA)*, I give permission to Neptunes Water Polo Club to enter the required personal information on the Water Polo Canada and MWPA databases which are managed by "Neptunes Water Polo Club" (in order to register for liability insurance, a condition of the Neptunes Water Polo Club contracts with area pools and registration with the aforementioned organizations). Additionally, I give permission to Neptunes Water Polo Club to use and otherwise enter the required personal information to communicate with members about water polo programs, events and activities and to provide emergency contact information while traveling to tournaments, including the collection, use and disclosure of information by Neptunes Water Polo Club as afforded in their Privacy Policy. **My child and I have read, and understood this Notice of Warning.**

**Volunteer Commitment:** Neptunes Water Polo Club is run entirely by volunteers and therefore each athlete family is expected to volunteer within the Club in some capacity. A \$150 volunteer bond will be collected from each family upon registration. Varying levels of this bond, from partial amounts up to the full amount, can be earned back based on the level of volunteering completed during the current water polo season. A full list of volunteer opportunities and the credit value associated with each activity can be found on the Neptunes Water Polo Club website. Athlete families wishing to receive credit for their volunteer activities will be required to download the volunteer form from the Club's website, complete it, and submit it to the Club Treasurer. **Our family has read and understood the agreement for Volunteer Commitment for the current water polo season, and agrees that our family will assist when asked.**

**Code of Conduct:** The majority of water polo experiences happen in the pool, and tournament participation may include out of town travel, involving only athletes and coaches. Because of this, we cannot ask parents to maintain a constant watch to ensure appropriate behaviour from their children. As an organization with abiding responsibilities for the growth, development, safety and competitive success of dozens of athletes, Neptunes Water Polo Club has adopted the Manitoba Water Polo Code of Conduct, in addition to our own Club specific codes of conduct. These codes of conduct apply to everyone associated with the Club, including players, coaches, parents / spectators, referees / officials, and volunteers. Neptunes Water Polo strives to ensure a safe environment for its members and endeavors to foster healthy relationships among its athletes. For these reasons, the Club has adopted a zero-tolerance policy. The rules of the Neptunes Water polo Club are in effect at all functions, training sessions and tournaments where athletes are acting as representatives of the Club. **My child and I have read, understood and agree to comply with the MWPA Code of Conduct and the Neptunes Water Polo Club Code of Conduct (both available at [www.neptuneswaterpolo.com](http://www.neptuneswaterpolo.com)).**
